Dear Sir:

Your letter with the enclosed stamps was received this morning. I am glad you like the coins and shall hope before long to find among our duplicates some others which you requested.

I am at the Museum every day except Mondays, though occasionally I have to be downtown during the day. If you have an opportunity to telephone and make sure that I will be here, I shall be very glad to see you.

Very truly yours,

W/G

Dear Sir:-

I have just heard that you were at the Museum one day recently when I was occupied down town. I am very sorry not to have had the chance to see you, and hope you will be able to visit us again before long. You might find it convenient to telephone to the Museum before you are coming, and make certain that I will be here. I am here almost every day, but sometimes have to go away for a few hours on business connected with the museum. Our telephone number here is Audubon 2484.

Very truly yours,

Assistant to Curator.
